1	Notes of last meeting on 13 <sup>th</sup> September 2011 were agreed.		
2	<b>Matters Arising.</b> All issues and actions have been dealt with.		
3	<b>Secretary</b> Forbes Stephenson attended for the first time.		
4	<b>Accounts</b> a) The current bank balance is £ 189.06 b) Money owed to us by HAHA is £ 96.31. There is also an £8.00 erroneous payment to come from HAHA. for roundup which went into the wrong account. There is about £36.00 of social funds to come across from the seed secretary income and raffle. c) There will be well over £250.00 in the account by the end of the year. Committee will have to decide whether to spend it or hold it for seeding. Remembering that our income does not start till May.	All to note	
4	<b>Ground works, fencing, paths, borders, etc</b> a) Marker post were positioned on some plots b) Concern was expressed again about stones being placed up against the perimeter fence causing damage. Some actually being thrown against the fence. Some people have been putting stones on the South side and it was only meant for the North and West side. c) The grass seeding of the paths was coming along well.	All	
5	<b>Water</b> a) All drained down for the Winter. Generator in. b) Trough contamination was still being caused by some allotment		

	holders c) Replacement fittings for next year.	JS/GG	
6	<b>Container</b> a) Blackboard is now back up. b) People are not observing the rules of the container in that the tools should be stored inwards and not outwards for safety reasons. Perhaps a sign with a picture would help. It was suggested that when the invoices go out in May some rules of the allotment and reasons for them should be included.	TDT	
7.	<b>Community and Social</b> a) Social events were just not well supported. Potential to promote the allotment next year The Queen's Diamond Jubilee.	All to note
